The Comprehensive Master Plan is considered to be an ongoing planning tool for the City. What are your feelings on the

Having a good master plan is vital for the success and growth of our city. This role plays a vital part in how our city will be positioned for the future.

importance of this role for which you are volunteering?

---

The Comprehensive Master Plan presents a vision for the future, with long-range goals and objectives for all activities that affect the City, which includes guidance on how to make decisions on public and private land development proposals, the expenditure of public funds, availability of tax policy (tax incentives), cooperative efforts and issues of pressing concern. What special skills or experience do you have that would make your appointment appropriate for this task?

---

I have a background in accounting, construction, firefighting/law enforcement and safely operating a multimillion dollar facility (refinery). I have been a leader of teams for the past 20 years, so I understand how to collaborate on multi faceted projects to accomplish a successful end result.

Please provide any additional information you feel would be useful to the City Council in considering your application. A cover letter and/or resume may also be submitted with the application.
