The Comprehensive Master Plan is considered to be an ongoing planning tool for the City. What are your feelings on the importance of this role for which you are volunteering?	This plan is critical to the sustainable growth and development of a beautiful Seabrook City while maintaining its charm and quality of life for its residents. Establishing a well thought out plan is essential to avoid and mitigate potential threats to our community and to enhance desirable developments.
The Comprehensive Master Plan presents a vision for the future, with long-range goals and objectives for all	The majority of my experience does come from the private sector where I have been involved in strategic planning and setting the vision for sustainable capital allocation and development projects. I have 10 years of experience in manufacturing industries including management, forecasting,
