

City of Seabrook

2026 Collection Calendar & Service Guide

Dear City of Seabrook Resident:

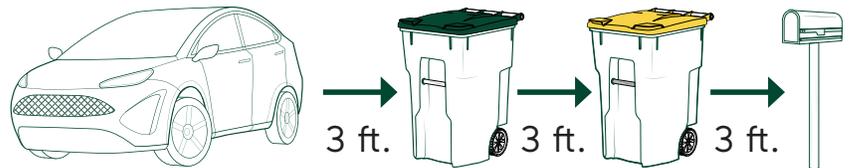

WM is proud to be your environmental solutions provider. Our curbside collection program features automated collection with 96-gallon carts for trash and recycling. Bulk and Yard waste services are also provided. We look forward to helping the City of Seabrook stay clean and green.

Waste and Recycling Service Information

Waste is collected twice a week and recycling is collected weekly.

Cart Placement

Place your carts at least 3 feet apart and 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the carts. Place the wheels of the cart toward your house.

Please place your carts at the curb no later than 7 a.m. on your collection day.

Trash Cart - The lid must be securely closed. This ensures that litter is not blown in your neighborhood and that all disposed of items are secure. Trash outside the cart cannot be collected. Bulk, yard trimmings, or excess waste will be collected on your scheduled bulk collection day.

Recycling Cart - Please place all recyclables directly into your cart - do not bag your recyclables. Breakdown cardboard and paperboard and keep loose plastic bags out of your cart. Items outside your cart cannot be collected.

Collection: Please See Collection Map

Your trash, recycling, yard waste and bulk collection day depend on your address. Please have your trash, bulk, or recycling out by 7 a.m., on your service day.

***Note:** Collections may not occur at the same time of day each week.

Missed Collection

Despite our best efforts, we occasionally miss scheduled collections. If we do, contact WM at wm.com/support as soon as you can. We'll try to return on the same day to pick up your waste or recycling. If our driver has already left your area, we'll pick up what we missed the following day.

Yard Waste and Bulk Collection Service Information

Yard Waste & Brush

Yard waste is collected at the curb every other week on the same day as Bulk Collection. Yard waste is not to exceed two (2) cubic yards per collection.

Important! For the safety and protection of our employees and equipment, we do require that branches and tree trimmings be no greater than six (6) inches in diameter and be cut into four (4) foot lengths and tied into bundles weighing no more than 50 pounds. Containers must have all trash bagged.

Bulk Collection

Bulk collection will be at the curb, every-other-week, with a limit of two (2) items.

Bulk pick up happens on your scheduled collection day. Moving boxes must be broken down and put out on this day. Bulk trash consists of appliances, furniture, mattresses, carpet (cut in four (4) foot length), lawn mowers, etc. Appliances that contain refrigerant must be drained and tagged by a certified refrigerant recycler prior to disposal.

Acceptable Bulk Waste

- Carpeting (cut into four (4) foot bundles)
- Household furniture
- Appliances with CFCs removed
- Bagged trash

Non-acceptable Bulk Waste

- Appliances containing CFCs
- Batteries
- Concrete, brick, asphalt, and roofing
- Construction debris from a contractor
- Gasoline
- Items heavier than 200 pounds
- Paint
- Motor oil and filters
- Tires
- Vehicles and parts

**You Make the Difference.
We've Made It Easier.**

Your everyday choices matter—and now, making a positive impact is even simpler. Recycling at home now includes plastic and paper to-go cups! Every cup you recycle adds up. Because small steps lead to big change.
