Mayor Thom Kolupski  
City of Seabrook  
1700 First Street  
Seabrook, Texas 77586

Dear Mayor Kolupski,

On behalf of the Clear Lake Area Chamber of Commerce I want to thank you, the Seabrook Economic Development Corporation and the City of Seabrook for your support and commitment to the mission of the Clear Lake Area Chamber of Commerce as an economic development organization to be "Champions for business success and quality of life in our community".

The Clear Lake Area Chamber of Commerce recognizes and understands the unforeseen challenges facing business owners since the global pandemic affected our region in March of this year and we continue to work tirelessly on behalf of our community. From our "Back to Business" Resources page on [www.clearlakearea.com](http://www.clearlakearea.com) to coordinating informative and educational webinars, the Chamber is committed to helping navigate this shared journey.

The City of Seabrook's annual membership investment was vital in allowing our Chamber to continue programming by pivoting to a digital platform that helped our business community to establish, sustain and/or grow their businesses and therefore their livelihood.

The City of Seabrook's commitment for the Chamber's work to provide business development resources and to be the voice of business in the community allows the Chamber to:

- Provide timely communications and education about issues that impact local businesses.
- Spotlight businesses and gain visibility for our local community.
- Advocate for business by promoting a pro-business climate and adopting positions to influence public policy through communications with federal, state, and local elected officials.

Such as:

- Harris County Constables local service support
- Keep Texas Moving to encourage TXDoT to equally distribute taxpayers' funds for construction projects across the state
- Federal support for the aviation industry to keep a strong local economy

As a volunteer business organization solely funded by membership investments and special events, our resources in 2020 have been limited to accomplish our ambitious annual agenda. However, the collaboration between the City of Seabrook and the Clear Lake Area Chamber of Commerce will continue our mutual objective to achieve our goals of economic growth and superior quality of life.

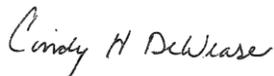

In appreciation for your Clear Lake Area Chamber of Commerce investment of \$10,000 the City of Seabrook will receive:

- All the privileges of the Basic Chamber Membership
- One individual of your choice to participate in 2021 Leadership Clear Lake
- Leadership Awards Luncheon includes two tickets to the event and program advertising
- Two Tickets to the (11) Membership Luncheon (once resumed post pandemic health crisis)
