

Agenda Briefing

Date of Meeting: January 5, 2021

Responsible Department: City Manager's Office

Presenter: Thom Kolupski, Mayor and Gayle Cook, City Manager

Briefing Prepared By: Gayle Cook, City Manager

Strategic Focus Area: Engage and Inform Public

General Information / Subject:

Item:

Consider and take all appropriate action on Resolution to Provide City Comment for the Coastal Texas Protection and Restoration Feasibility Study Draft Report

On October 20, 2020, the release of the Draft Feasibility Report and conducted a number of public involvement meetings virtually in which public comment was heard and received. City staff has reviewed the draft and associated reports finding that there are some unknown concerns that could be presented if the authorization is approved and a final design is started.

The attached resolution takes this opportunity during the open public comment to submit comment from the city council on those potential concerns and makes record that the current and future governing bodies of the City of Seabrook request more input so that designs will not negatively impact our municipality.

As noted, the resolution commends the Corps of Engineers and Texas General Land Office (GLO) for their work on this project to protect the city locally and our region and the city remains in support.
