RE: Request for Public Infrastructure Acceptance
Oak Alley Estates
Seabrook, Texas
SME Project No: 18-300

Dear Mr. Padgett and Mr. Craig;

With regards to the above referenced subdivision, the construction of public infrastructure for Oak Alley by David Wight Construction has been completed. The construction conforms to the City of Seabrook's specifications and standards approved by the Commission.

We hereby request for acceptance of the streets and utilities. We have included a complete set of As-built drawings. Should you any questions or require additional information, please do not hesitate to us.

Best regards,

Marcus J. Michna, P.E.
