

SEABROOK
PUBLIC WORKS WEEK
MAY 17-23, 2020

WHEREAS, Public Works professionals focus on infrastructure, facilities and services that are of vital importance to sustainable and resilient communities and to the public health, high quality of life and well-being of the people of the City of Seabrook; and

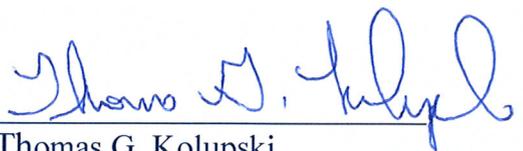

WHEREAS, the efficiency of the qualified and dedicated personnel who staff Seabrook Public Works Departments is materially influenced by the peoples' attitude and understanding of the importance of the work performed; and

WHEREAS, the City of Seabrook Public Works employees do a lot of in-house projects that help significantly reduce costs and effectively optimize resources; such as, weekly mowing of 80+ acres, maintaining approximately 13 miles of hike and bike trails and GIS; and

WHEREAS, the support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs for the health, safety and comfort of this community, such as water, sewer, gas, streets and highways, public buildings, parks, and solid waste collection; and

WHEREAS, Public Works Week is an appropriate and timely opportunity to formally thank all of the City of Seabrook Public Works Employees for their continued extraordinary service to the community.

NOW, THEREFORE, I, Thomas G. Kolupski, Mayor of the City of Seabrook, on behalf of the City Council and City staff, do hereby recognize the week of May 17-23, 2020 as *Public Works Week* in the City of Seabrook. I call upon all Seabrook citizens and civic organizations to acquaint themselves with the issues involved in providing the superior public service enjoyed by our citizens and to recognize the contributions which Public Works professionals make every day to our health, safety, comfort and quality of life.
